

Institute Retirement Dinner

GEORGIA INSTITUTE OF TECHNOLOGY

Each year, Georgia Tech hosts a retirement dinner to thank our retirees for their years of service. The dinner is typically hosted in November on campus and is open to retirees, faculty, staff, friends, and family to join. To help us better prepare for this event, we ask all retirees to complete this form. You will receive an invite four to six weeks prior to the event requesting your RSVP.

For more information visit www.specialevents.gatech.edu/retirement or contact Serena Wallace, Institute Communications, serena.wallace@comm.gatech.edu. You can return a completed copy of this form to Jim Wallace, GTHR, MC 0435.

Georgia Tech Retiree Information

Name: _____

Name you prefer on your glass buzz: _____

Department: _____
